27th March 2024

Dear Parent/Carer

I hope this letter finds you well?

As I write to you today, Year 11 students are 20 school days away from the start of the Summer GCSE exam series. Their time in school is quickly drawing to a close.

In our Mock Results Assembly to Year 11s a few weeks ago, we displayed a graphic demonstrating how much progress can be made between now and the first exam. The message, given to students, is that we will all work together to ensure no stone is left unturned and that they continue to be well supported through their final school days.

We would like to offer you the opportunity to attend a **Revision and Exam Preparation Information Evening on Wednesday 17th April**. The purpose of the evening is to support your understanding of the provision for Year 11s over the next two months in school, to provide information and guidance on how you can best support your child's revision and exam preparation at home and to provide an opportunity to ask any questions regarding the exams.

There will also be an opportunity to attend three subject specific revision and exam preparation workshops, for English, Maths and Science. These will be led by Mr Lane, Mrs Walker and Dr Inglis. The Directors of English, Maths and Science respectively.

The format for the event is as follows:

- *Arrival from 5.45pm to the Main Hall for 6:00pm start*
- *6:00 – 6:30pm - Presentation from Mr Aldred, Mr Dawson and Mr Hal including revision strategies workshop - Main Hall*
- *6:35 – 7:30pm - Carousel of English, Maths and Science specific revision and exam preparation workshops*

I would ask that if you would like to attend please click on the link to register your attendance: <https://forms.office.com/e/4pBHV0dbJU> or contact Miss Roberts, PA to The Senior Leadership Team, via email SRoberts@garibaldischool.co.uk. Please note students are most welcome to attend with you.

I look forward to seeing you in person at this event.

Yours faithfully

Mr M Dawson
Deputy Head Teacher
