Dear Parent/Carer

As part of the package of support provided to our Year 11 students in preparation for their forthcoming exams, all subject areas are offering after school additional studies. Subject teachers are using current performance data and predictions to highlight specific students who are **required** to attend sessions in order to support continued progress towards their target grades.

EBACC subjects will follow a two-week timetable as shown below and where subjects are highlighted in **bold**, it is an expectation they attend **all** additional study lessons. For other subjects shown in the table below, selected students will be informed by their subject teacher of their required attendance; parents will also be notified. This will commence week beginning 19th September, and will be week 2 of the timetable.

Week	Tuesday	Wednesday	Thursday
1	Maths	History	Science
2	Geography	Spanish	English

For option subjects, class teachers will contact you for your child's attendance. This will run weekly for this Half Term (HT1) 3pm to 3.50pm. Option subjects will change for HT2. The subjects being offered for additional study in HT1 are:

- Hospitality and Catering
- Art
- iMedia
- Enterprise

If your child has not been requested to attend a specific subject lesson, the Learning Resource Centre (LRC) will be available every week - Tuesday, Wednesday and Thursday evenings 3-3.50pm for students to complete any further work/revision they feel necessary.

Thank you in advance for your continuing support.

Yours faithfully
