Guidance for Students Working Remotely

Wednesday 1st February

All students working remotely should first check their subjects and year group Teams groups to find work set by their subject teachers. Please note that if new resources have not been uploaded today, it is worth checking in the Files section of each Teams group to find any useful resources to guide revision and coursework.

In the event that work is not available via one or more of your subjects' Teams pages, students are advised to use one of the following websites to aid study:

- GCSE Pod https://www.gcsepod.com/
- Oak National Academy https://www.thenational.academy/
- BBC Bitesize https://www.bbc.co.uk/bitesize
- Seneca https://senecalearning.com/en-GB/
- Quizlet https://quizlet.com/en-gb

Any subject specific websites/Youtube channels that your teachers have directed you towards previously, e.g.:

- KS3, KS4 Music – Bandlab https://edu.bandlab.com/
- KS3, KS4 Maths and Science – Cognito https://www.youtube.com/@Cognitoedu
- Languages – DuoLingo - https://www.duolingo.com/
- Computing – Smart Revise - https://smartrevise.online/
- Maths – Maths Genie - https://www.mathsgenie.co.uk/

Please remember that you also have access to Unifrog where can you access information and guidance about careers and next steps. https://www.unifrog.org/.
