

Summer Colour Explosion

Sensory Bottle

You will need:

Pom-poms

Glitter

Glitter glue

Water

Small or medium sized bottle

Small sea shells/sea creatures

Method

1. Add water to your bottle about $\frac{2}{3}$ full.
2. Squeeze the glitter glue into the bottle.
3. Add some loose glitter to the bottle.
4. Add the pom-poms, sea creatures and any other brightly coloured sparkly objects you can find.
5. When you have finished adding your objects, fasten the lid on the bottle tightly and fix in place with strong glue.
